Team Composition

- No. of Participants: 2 members per team.

General Guidelines

- Theme: An open theme will be announced right at the start of the fest.
- Timeline: Participants will start shooting directly after the opening ceremony. The competition window closes exactly 1 hour before the closing ceremony.
- Location: All photos must be taken at the fest venue itself.
- Submission: Teams must submit a fixed number of entries (up to 5) by the designated deadline.

Allowed

- Equipment: Photos must be shot on the participant's own camera during the fest window.
- Editing: All types of manual editing (e.g., color grading, cropping, retouching) are completely allowed. The judges are heavily looking for creativity!

Not Allowed

- Artificial Intelligence: STRICTLY NO AI ALLOWED. The use of generative AI tools for creating, expanding, or altering images will lead to disqualification.
- Archival Footage: Photos must be shot exclusively during the designated fest window; no pre-shot material or off-site photography is permitted.
