

PIXEL PRIX

GENESIS
INNOVATE, IDEATE, INSPIRE

Event Overview

- Number of Participants: 1 participant per team.
- Core Concept: A rapid-fire creative challenge where teams conceptualize, structure, and sketch a complete, one-page comic based on a surprise prompt.
- Theme: Revealed on the spot at the beginning of the event.

Phases of the Event

Phase	Duration	Description
1. Theme Reveal & Ideation	15 Minutes	The secret theme is announced. Teams use this time to brainstorm their narrative, draft a script, and plan their panel layout.
2. Sketching & Execution	90 Minutes	Teams actively draw, ink, and letter their one-page comic.

General Guidelines

- Format & Layout: The entire story must be contained within a single page.
- Panel Requirements: The page must include a minimum of 3 panels and a maximum of 7 panels to ensure a clear narrative arc (beginning, middle, and end).
- Canvas Specifications:
 - If Digital: Standard A4 size (2480 x 3508 pixels at 300 DPI).

Allowed

- Use of dialogue bubbles, captions, and sound effect typography to drive the story.
- Use of pre-installed, standard digital brushes and software (e.g., Procreate, Photoshop, Clip Studio Paint).
- Creative interpretation of the on-the-spot theme.

Not Allowed

- Use of pre-drawn assets, imported templates, or pre-existing character designs.
- Use of AI-generation tools (all art and concepts must be originally crafted during the event).
- Plagiarizing existing comic storylines, manga, or published media.
- Exceeding the one-page limit or the designated time limit.
