

Reel Deal

GENESIS
INNOVATE, IDEATE, INSPIRE

Your task is to capture the excitement, hustle, and spirit of your school's preparation for the upcoming Genesis Fest. Teams are required to create a short, engaging vertical video (9:16) and submit it online exactly 48 hours before the main event.

Team Composition

- No. of Participants: 3 members per team

General Guidelines

- Theme: "Preparing for Genesis Fest" – Showcase behind-the-scenes action, practice sessions, art creation, or the general enthusiasm of your school gearing up for the event.
- Duration: The reel must be 60 seconds in length.
- Format & Resolution: Videos must be shot in vertical orientation (9:16 aspect ratio, e.g., 1080x1920 pixels) and submitted in MP4 or MOV format.
- Language: English only.

Allowed

- Equipment: Use of smartphones, DSLRs, mirrorless cameras, or action cameras for shooting.
- Editing: Use of any video editing software (e.g., Adobe Premiere, CapCut, InShot, DaVinci Resolve).
- Audio: Trending audio tracks, royalty-free music, original sound design, and sound effects.
- Creative Elements: Voiceovers, text overlays, visual effects (VFX), and creative transitions.
- Content: Featuring school banners, props, teachers, and other students (with their permission) to show active preparations.

Not Allowed

- Plagiarism: Using pre-existing footage, stock videos, or content not originally shot by the participating team.
- Inappropriate Content: Offensive, discriminatory, abusive language, or inappropriate visuals.
- Unsafe Behavior: Dangerous stunts, property damage, or any activities that violate standard school safety protocols.
- Negative Targeting: Disrespecting or mocking other participating schools, teams, or individuals.
- Watermarks: Large, distracting watermarks from free editing applications are heavily discouraged.
